TITLE 12—BANKS AND BANKING

Chapter II—Federal Reserve System

Subchapter A—Board of Governors of the Federal Reserve System

[Reg. D]

PART 204—RESERVES OF MEMBER BANKS

REQUIREMENTS AT CENTRAL RESERVE CITIES

1. Effective at the opening of business on February 27, 1948, § 204.5 (Supplement to Regulation D) (12 CFR, Cum. Supp.) is amended to read as follows:

§ 204.5 *Supplement, reserves required to be maintained by member banks with Federal Reserve banks.* Pursuant to the provisions of section 19 of the Federal Reserve Act and § 204.2 (a) the Board of Governors of the Federal Reserve System hereby prescribes the following reserve balances which each member bank of the Federal Reserve System is required to maintain on deposit with the Federal Reserve bank of its district:

- 6 percent of its time deposits plus—
- 14 percent of its net demand deposits if not in a reserve or central reserve city;
- 20 percent of its net demand deposits if in a reserve city, except as to any bank located in an outlying district of a reserve city or in territory added to such city by the extension of the city's corporate limits, which, by the affirmative vote of five members of the Board of Governors of the Federal Reserve System, is permitted to maintain 14 percent reserves against its net demand deposits;
- 22 percent of its net demand deposits if located in a central reserve city, except as to any bank located in an outlying district of a central reserve city or in territory added to such city by the extension of the city's corporate limits, which, by the affirmative vote of five members of the Board of Governors of the Federal Reserve System, is permitted to maintain 14 percent or 20 percent reserves against its net demand deposits.

2. This amendment is issued pursuant to the authority granted to the Board of Governors by section 19 of the Federal Reserve Act in the light of existing economic conditions and the present inflationary credit situation. The notice and public procedure described in sections 4 (a) and 4 (b) of the Administrative Procedure Act, and the prior publication described in section 4 (c) of such act, are impracticable, unnecessary and contrary to the public interest in connection with this amendment for the reasons and

good cause found as stated in § 262.2 (e) of this chapter, and especially because such notice, procedure and prior publication would prevent the action from becoming effective as promptly as necessary, would unreasonably interfere with necessary efforts to prevent injurious credit expansion, and would serve no useful purpose.

(Secs. 11 (c), (e) (1) 38 Stat. 262, secs. 10, 4, 40 Stat. 239, 970, secs. 207, 324, 49 Stat. 706, 714, sec. 2, 58 Stat. 648; 12 U. S. C. and Supp. 248 (c), (e), (1) 461, 462, 462a, 462b, 465, 466)

Approved this 23d day of January 1948.

BOARD OF GOVERNORS OF THE

[SEAL] S. R. CARPENTER,

EXTENSION WITHOUT CONSENT OF CORPORATION

Subtitle A—Office of the Secretary of Commerce

PART 10—GENERAL ORGANIZATION AND FUNCTIONS

PART 11—ORGANIZATION AND FUNCTIONS OF THE OFFICE OF THE SECRETARY

OFFICE OF INDUSTRY COOPERATION

1. Section 10.3 *General organization* (11 F. R. 177A-302) is amended by adding under paragraph (a) the following:

(8) Office of Industry Cooperation.

2. Part 11 (11 F. R. 177A-302) is amended by adding § 11.10 as follows:

§ 11.10 *Office of Industry Cooperation—(a) Establishment.* There is established in the Office of the Secretary of Commerce an Office of Industry Cooperation which will serve as the principal agent of the Department in the preparation, negotiation, presentation for approval by the Secretary, and submission to the Attorney General, of proposed voluntary agreements with representatives of business and industry. The Director of this office will be a Special Assistant to the Secretary who shall work closely with the Assistant Secretary for Foreign and Domestic Commerce in developing the program and operations of his office.

The Office of Industry Cooperation, together with the constituent units of the Department assigned functions under the voluntary agreements program, constitute the Department's organization for administration of the voluntary agreements program.

(b) *Functions.* In carrying out its responsibilities as the Department's principal agent in the voluntary agreements program, the Office of Industry Cooperation will make maximum utilization of the existing facilities of the Department and will arrange for the supplementing of such facilities where necessary. In addition, this office is delegated responsibility for positive guidance and coordination of such departmental facilities insofar as they are utilized in connection with the voluntary agreements program. The office will draw heavily on Department resources, especially those represented by the commodity and industry specialists in other parts of the Department, particularly the Office of Domestic Commerce, the Office of Small Business, the Office of Materials Distribution, and the Office of International Trade.

More specifically, the Office of Industry Cooperation will:

(1) Recommend to the Secretary the organization and composition of industry advisory committees as required in connection with the Department's voluntary agreements program affecting commodities in short supply which basically affect

the cost of living or industrial production;

(2) Arrange for the convening of such industry advisory committees, prepare agenda, maintain necessary records and minutes and perform all other duties incident to the establishment and operation of such committees;

(3) Arrange for the preparation of necessary materials and information essential to the conduct of negotiations leading to the concluding of voluntary agreements with industry, and represent the Secretary in the actual conduct of such negotiations;

(4) Consult with such representatives of labor groups as the Secretary may from time to time specify in connection with the voluntary agreements program;

(5) Conduct hearings or by other means give industry, labor, and the public generally an opportunity to present their views with respect to proposed agreements and plans;

(6) Arrange for the preparation for submission to the Attorney General of a statement covering the following matters pertaining to each proposed agreement or plan recommended by the Secretary:

(i) The circumstances which require the proposed agreement or plan,

(ii) The means by which the agreement or plan will be carried out,

(iii) The effect of the agreement or plan on persons and industries affected, including where appropriate the proposed degree of curtailment in amount and prospective use of any material, commodity, or product by any processor or user thereof, and the formulae for such curtailment,

(iv) The criteria used in the establishment of such formulae, and

(v) The factual evidence on which the recommendation for approval is made, showing which information, if any, is subject to restrictions for reasons of military security.

(7) Maintain continuing review of the various voluntary agreements in operation, and arrange for the collection of such information as may be necessary to ascertain the effectiveness of such agreements and to provide a basis for making necessary reports to the Congress and other interested parties;

(8) Maintain close consultation with the Advisory and Review Committees on the Second Decontrol Act and their staff, regarding foreign and domestic requirements and export allocations that affect industries and commodities which are the subject of voluntary agreements;

(9) Propose and negotiate adjustments or modifications in voluntary agreements in order to meet unforeseen or emergent circumstances;

(10) Request compliance by industry or representatives of industry with such plans of voluntary action as may be approved finally by the Attorney General and the Secretary; and

(11) Advise the Secretary of the existence or threatened existence of a critical shortage of any raw material, commodity, or product which jeopardizes the health or safety of the people of the United States or its national security or welfare, when there is no prospect that such critical shortage may soon be remedied by an increase in the available supply without additional governmental action and when the situation cannot be solved by voluntary agreement; and recommend to the Secretary for submission by the President to the Congress proposed measures for conserving such raw material, commodity, or product.

INTERSTATE COMMERCE COMMISSION

ADMISSION TO PRACTICE OF PERSONS WHO
ARE NOT ATTORNEYS AT LAW

JANUARY 23, 1948.

Applicants for admission to practice before the Commission, who are not attorneys at law admitted to practice before the highest court of a State or Territory or the District of Columbia, may be admitted only upon a written examination which is intended to enable the applicant to show whether he is "possessed of the necessary legal and technical qualifications to enable him to render valuable service before the Commission, and that he is otherwise competent to advise

and assist in the presentation of matters before the Commission." (General Rules of Practice 8 (b))

Applicants who are not members of the bar are advised that (a) an inquiry will be made of the sponsors and those to whom the applicant has referred, as to the general standing of the applicant. An inquiry will also be made by a Committee of the Association of Interstate Commerce Commission Practitioners. If the applicant's standing is found to be good, then (b) applicant will be considered eligible for an examination as to his legal and technical qualifications.

Examinations are conducted twice a year—on the second Tuesday in February and July of each year. Closing date for filing applications for the February ex-

Examinations will be conducted in those cities where offices of the Bureau of Motor Carriers are located. Notice of the time and place to appear for examination will be mailed to qualifying applicants approximately thirty days prior to the date of examination at which they will be expected to appear. An applicant who, without good cause shown to the Commission, fails to appear for examination when notified, is considered to have abandoned his application.

The examinations to be given will test the applicant's knowledge of (1) struc-

ture and history of the Interstate Commerce Act, as amended, and related acts, (2) the Commission's rules of practice, (3) the general rules of evidence, (4) the leading cases involving the Commerce Clause of the Constitution and the Interstate Commerce Act, and their significance, and (5) the principles of legal ethics.

The decision as to admission or non-admission of candidates will be made upon the basis of the applications, the returns of sponsors and those to whom the applicants have referred, and the examination papers. Applicants who are unsuccessful in three attempts to pass the examination will be expected to withdraw their applications.

NOTICES

after February 2, 1948, said application-declaration as filed or as amended may be granted and permitted to become effective as provided in Rule U-23 of the rules and regulations promulgated under the act or the Commission may exempt such transactions as provided in Rules U-20 (a) and U-100 thereof.

All interested persons are referred to said application-declaration on file in the offices of this Commission for a statement of the transactions therein proposed which are summarized as follows:

Iowa proposes to issue and sell, pursuant to the competitive bidding requirements of Rule U-50, \$6,000,000 principal amount of First Mortgage Bonds, --% Series, due 1973. The bonds are to be issued under and secured by the presently outstanding mortgage dated as of August 1, 1943, as supplemented by the First Supplemental Indenture dated as of August 1, 1943 and the Second Supplemental Indenture dated as of February 1, 1948. The interest rate of said bonds (which shall be a multiple of $\frac{1}{8}$ of 1%) and the price, exclusive of accrued interest, to be paid Iowa (which shall not be less than 100% or more than 102 $\frac{3}{4}$ % of the principal amount) are to be determined by competitive bidding.

Iowa also proposes: (a) To amend its Articles of Incorporation to increase its authorized number of common shares from 1,000,000 to 1,500,000; (b) to capitalize \$1,500,000 of its earned surplus by transferring that amount of earned surplus to the capital stock account and issuing to its sole stockholder, Continental, 150,000 shares of \$10 par value common stock; and (c) to issue and sell to its sole stockholder, Continental, as soon as practicable, and in any event on or before July 1, 1948, an additional 150,000 shares of \$10 par value common stock for a cash consideration of \$1,500,000. In this connection it is proposed, subject to the approval of the Commission, that Railways, Continental and Iowa will enter into a contract providing for the issuance and sale of such 150,000 shares by Iowa to Continental subject only to the Commission's granting Railways authority to purchase sufficient additional common stock of Continental to provide Continental with the funds to purchase such shares of common stock of Iowa. The application-declaration states: (a) That Application No. 31, as amended, (File Nos. 59-11, 59-17, and 54-25) proposes that Railways purchase additional shares of Continental common stock in such amount as to permit Continental to retire its outstanding bank loan and that a definitive filing will be made in due course covering that transaction, and (b) that, for purposes of simplicity and convenience, such definitive filing will include a request for the authorization of the proposed purchase by Railways of the additional \$1,500,000 of common stock of Continental referred to herein.

The application-declaration further states that \$2,100,000 of the proceeds from the sale of the bonds will be deposited with the Trustee under the existing Indenture and be subject to withdrawal in accordance with the provisions thereof and that the remaining proceeds from the sale of the bonds, after pay-

ment of expenses estimated at \$89,000, together with the proceeds from the sale of the stock, after payment of expenses estimated at \$11,000, will be used to reimburse Iowa for expenditures heretofore made for property additions (including payment of \$1,000,000 principal amount of 1 $\frac{7}{8}$ %, 90-day notes issued to certain banks for temporary financing of a portion of such expenditures) and to provide funds for the construction and acquisition of additional property and other corporate purposes.

The Iowa Executive Council has authorized Iowa to effect the capitalization of \$1,500,000 of its earned surplus by the issuance of 150,000 shares of \$10 par common stock in evidence thereof; and the application-declaration states that no regulatory authority other than this Commission has jurisdiction over the other transactions proposed.

Applicants-declarants request that the Commission's order with respect to the proposed transactions become effective immediately upon issuance thereof.

By the Commission.

ESTRELLAS U. S. A., INC.

NOTICE OF APPLICATION

At a regular session of the Securities and Exchange Commission held at its office in Washington, D. C. on the 22d day of January A. D. 1948.

Notice is hereby given that Estrellas U. S. A., Incorporated, of 67 Wall Street, New York 5, New York has filed an application pursuant to section 6 (c) of the Investment Company Act of 1940 for an order exempting the applicant from all or such provisions of the act as the Commission may deem appropriate and upon such conditions as the Commission may see fit to impose.

It appears from the application that Estrellas U. S. A., Incorporated, is a wholly-owned subsidiary of Estrellas Mining & Finance Corporation, Limited, a Canadian corporation principally engaged in the business of holding, investing, and reinvesting in securities. Estrellas Mining & Finance Corporation, Limited has outstanding and held by more than 100 persons 300,000 shares of stock, none of which is, to the knowledge of the applicant, held of record or beneficially by American investors except 24,060 shares owned directly or indirectly by a foreign national now residing in the United States. It appears that the applicant was organized for the purpose of acquiring all of the assets in the United States of Estrellas Mining & Finance Corporation, Limited and that the applicant proposes to engage primarily in the business of investing, reinvesting, or trading in securities. It further appears that the applicant does not at present own beneficially, either directly or indirectly, or of record, and does not intend to acquire 25% or more of the voting securities of any company, and the applicant disclaims actual control by it of any of the companies in which it presently owns stock or is otherwise financially interested.

For a more detailed statement of the matters of fact and law asserted, all interested persons are referred to said application which is on file in the offices of the Commission in Washington, D. C.

Notice is further given that an order granting the application, in whole or in part and upon such conditions as the Commission may see fit to impose, may be issued by the Commission at any time after February 5, 1948, unless prior thereto a hearing upon the application is ordered by the Commission, as provided in Rule N-5 of the rules and regulations promulgated under the act. Any

interested person may, not later than February 3, 1948, at 5:30 p. m., in writing submit to the Commission his views or any additional facts bearing upon this application or the desirability of a hearing thereon, or request the Commission in writing that a hearing be held thereon. Any such communication or request should be addressed: Secretary, Securities and Exchange Commission, 425 Second Street NW., Washington 25, D. C., and should state briefly the nature of the interest of the person submitting such information or requesting a hearing, the reasons for such request, and the issues of fact or law raised by the application which he desires to controvert.

E. I. DU PONT DE NEMOURS AND CO. ET AL.

NOTICE OF APPLICATION

At a regular session of the Securities and Exchange Commission, held at its office in Washington, D. C., on the 22d day of January A. D. 1948.

In the matter of E. I. Du Pont de Nemours and Company, General Motors Corporation, Standard Oil Company, Ethyl Corporation, File No. 812-533.

Notice is hereby given that E. I. Du Pont de Nemours and Company of Wilmington, Delaware, an affiliated person of, and presumptively controlled by, Christiana Securities Company, a closed-end management company registered under the Investment Company Act of 1940, has filed an application pursuant to section 17 (b) of the act for an order exempting from the provisions of section 17 (a) of the Act a proposed transaction whereby Standard Oil Company, a New Jersey corporation, and General Motors Corporation, an affiliated person of the Applicant, would purchase from the applicant 36,497 shares of 7% Preferred Stock of Ethyl Corporation for \$3,649,700.

It appears from the application that Ethyl Corporation, all of whose common stock is owned by General Motors Corporation and Standard Oil Company, has outstanding 298,649 shares of 7% Preferred Stock of the par value \$100 per share, of which 36,497 shares are owned by the applicant, 131,076 shares by General Motors Corporation, and 131,076 shares by Standard Oil Company. It appears that an agreement made April 9, 1941, between the applicant, General Motors Corporation and Standard Oil Company provides that General Motors Corporation and Standard Oil Company shall purchase at par and accrued dividends from the applicant in equal amounts the 7% Preferred Stock of Ethyl Corporation owned by the applicant in the event that a lease agreement between the applicant and Ethyl Corporation made January 1, 1938, shall have expired and Ethyl Corporation shall not have redeemed such stock held by the applicant. It further appears that said

lease agreement expired on December 31, 1947, that Ethyl Corporation has not redeemed the 7% Preferred Stock held by the applicant; that the applicant has been notified by General Motors Corporation and Standard Oil Company that they, in the exercise of their rights under the agreement of April 9, 1941, will purchase at par and accrued dividends, if any, the 7% Preferred Stock of Ethyl Corporation held by the applicant.

For a more detailed statement of the matters of fact and law asserted, all interested persons are referred to said application which is on file in the offices of the Commission in Washington, D. C.

Notice is further given that an order granting the application may be issued by the Commission at any time after February 3, 1948, unless prior thereto a hearing upon the application is ordered by the Commission, as provided in Rule N-5 of the rules and regulations promulgated under the act. Any interested person may, not later than February 2, 1948, at 5:30 p. m., in writing submit to the Commission his views or any additional facts bearing upon this application or the desirability of a hearing thereon, or request the Commission in writing that a hearing be held thereon.
